SELIEM WINTER PINE NEEDLE BRANCHES TABLE RUNNER

Bring nature indoors with this elegant runner featuring delicate pine needle embroidery. The subtle green stitching on neutral fabric creates a sophisticated woodland aesthetic perfect for winter entertaining.

POPS OF PINK

Break from traditional holiday colors with unexpected touches of pink. This fresh approach pairs beautifully with silver and white, creating a modern yet festive tablescape that works from Christmas through Valentine's Day

RIBBON TIED SILVERWARE

In a pinch, an elegant ribbon can give candles, stemmed glassware and silverware a festive look. Choose a silky ribbon in a jewel-toned hue or keep it traditional with red, green or gold.

ELEGANT CHRISTMAS TABLE

Create a refined holiday atmosphere with metallic accents and crystal elements. Mix silver, gold, and white for a sophisticated tablescape that sparkles under candlelight.

LAYERS OF PATTERN

Mix complementary patterns in similar color families for visual interest. Combine florals, stripes, and geometric designs while maintaining a cohesive color scheme for a dynamic yet harmonious table setting.
