GO FOR LOTS OF LIGHT

Modern lighting isn't just functional – it's art. Choose statement pendants, sculptural floor lamps, or dramatic sconces to create ambiance and visual interest.

DESIGN A MINIMALIST SPACE

Embrace the "less is more" philosophy. Choose quality over quantity, invest in hidden storage, and let each piece serve a purpose.

YOU CAN'T GO WRONG WITH BLACK AND WHITE

Create timeless sophistication with a monochrome palette. Use texture and pattern to add depth to black and white schemes.

MAKE WINDOWS A FOCAL POINT

Let natural light be your design element. Frame windows dramatically with floor-length curtains or minimal blinds.

NOVEL SEATING DESIGNS

Think beyond traditional arrangements. Create conversation areas with unique seating configurations.
