INSTALL GLOBE LIGHTS

Modern globe lights add a touch of sophistication to your entryway. These spherical fixtures create soft, even illumination while serving as striking decorative elements.

MINIMALIST ENTRYWAY LIGHTING

Clean lines and simple forms define minimalist lighting. These fixtures eliminate unnecessary ornamentation while maximizing function.

USE SEMI-FLUSH MOUNT FIXTURE

Semi-flush mounts offer the perfect balance between style and practicality. These fixtures sit close to the ceiling while providing ample light coverage.

LIGHTING DIRECTION

Strategic placement of fixtures creates layered lighting that's both functional and atmospheric. Combine upward and downward-facing sconces with multi-directional chandeliers to illuminate all angles of your space effectively.

ADD A GEOMETRIC LIGHT FIXTURE

Bold geometric shapes add visual interest and contemporary flair. These statement pieces become instant focal points while providing excellent illumination.
