## GAZEBO COVERAGE OUTDOOR SHOWER

Florida outdoor living at its finest! This pool house pulls triple duty as changing room, bathroom, and shower, all wrapped in drainage-smart tabby concrete tiles that play nice with stucco.

## ADD SOME UNIQUE ART

Who says outdoor showers can't have personality? This California shower gets its tail-wagging charm from a playful pup painting, proving that art can live anywhere - even in your outdoor washroom.

## WOOD PLANKED OUTDOOR SHOWER DESIGN

Who needs walls when you've got style? Merbau planking (teak's cool cousin) creates a stunning backdrop for brass and copper fixtures.

## OPT FOR A BIT OF PRIVACY

At this Harbour Island getaway, tall walls play peek-a-boo with natural light and views. Because the best outdoor showers strike the perfect balance between exposure and escape.

## COTTAGE-STYLE OUTDOOR SHOWER

Shiplap steps outside in this DIY-friendly design. Whether you're handy with treated wood or prefer pre-made vinyl panels, this cottage charm is within reach.
